

Year 5 Newsletter Spring 1

This next term will be a busy one for Year 5 Foxes. Our topic of Ancient Citizens will have something for everyone.

Our main curriculum focus will be History, learning all about Ancient Greeks and Medieval Bagdad. Children will learn about the life, battles and sporting legacies and innovations from these important eras. They will explore Greek and Islam art and have the opportunity to work with a range of materials to design and create their own pieces in these Styles.

Our literacy focus will be Greek Myths and Legends a topic many of the children are already familiar and excited about. We will also be covering Poetry , biography and Non Chronological writing, to supplement our focus on Medieval Islamic inventors.

At the end of the term pupils will be invited to take part in a Dragons Den experience where they can design and create a new invention and pitch it to their peers.

In science we will be discussing human lifecycles, and functions. Linked to PSHE this topic will include growth, puberty, and human functions as well as personal health and well being.

During the week beginning 25th February 2019 most of our pupils will enjoy a fun filled week at Ingestre Hall. We very much look forward to seeing the final results of this exciting experience.

- All the children in year 5 continue to work hard and their mature, well mannered conduct in school is a credit to you. Our main areas for development this term are
- Self Assessment,
- Independence
- Pride in presentation.

Thank you once again for all of your continued support
