1. Aims

The local academy committee has decided to pay reasonable allowances from the school's delegated budget to cover any costs that board members incur through carrying out their duties.

This policy sets out the terms on which such allowances will be paid.

By adopting this policy, we will ensure that no member of the community is prevented from becoming a local academy committee member on the grounds of cost.

2. Legislation and guidance

The [Governance Handbook](#) (section 4.6.1, paragraph 50) allows boards in maintained schools with a delegated budget to choose whether or not to pay allowances to board members. Where they choose to do so, it must be in accordance with a policy or scheme.

The legislation on governors' allowances is set out in [the School Governance \(Roles, Procedures and Allowances\) \(England\) Regulations 2013, part 6](#).

3. Overview

Members of the local academy committee may claim allowances to cover expenditure necessary to enable them to perform their duties.

This does **not** include an attendance allowance, or payment to cover loss of earnings.

Members of the local academy committee may claim allowances by completing a claim form (see appendix 1) and submitting it to the Office Manager.

Allowances will only be paid on the provision of a receipt, and will be limited to the amount shown on the receipt.

Members of the governing board may claim for:

- Childcare
- Care for elderly or dependent relatives
- Extra costs incurred because they have a special need or English as a second language
- Travel and subsistence costs
- Telephone charges, photocopying, postage, stationery, etc.
- Other justifiable allowances

Claims will be paid in arrears on a case-by-case basis. Reimbursable costs should be agreed in principle by the Finance Committee **before** they are incurred.

The chair of the local academy committee (or the vice-chair, where appropriate) may investigate claims that appear excessive or inconsistent. All claims will be subject to an independent audit.

Travel expenses where a governor uses their own vehicle must not exceed the HM Revenue and Customs (HMRC) approved mileage rates (see appendix 2).

4. Monitoring arrangements

This policy will be reviewed at least every 2 years by the Local Academy Committee.
