Children In Care Policy

St Peter's CofE Academy, Stonnall

CONTEXT

The terms 'Looked After Children' and 'Children in Care' are often used to define the same group of children. In documents produced by the Department for Education and Staffordshire Virtual School, the terms Looked After Children (LAC) and Previously Looked-After Children (PLAC) are preferred.

When a child or young person is taken into Care by a local authority under a Court Order, the key feature is a change in parental responsibility, which is then undertaken by the local authority who become their 'Corporate Parent'. Children can also be in Care under a voluntary arrangement with parents (a Section 20 status known as Accommodated) where parental responsibility remains with birth parents, and this arrangement is monitored and supported by social services. Most looked-after children will be living in foster homes but some may be in a residential children's home, semi-independent provider at post-16, living with a relative or may be placed back at home with their birth parent(s). Children placed for adoption remain looked-after by the local authority until the Final Order.

An Individual Education Plan (IEP) is required for every looked-after child and forms part of their Care Plan. A PEP should be initiated within ten working days and finalised a maximum for 5 working days later. PEPs should be reviewed at least once a term though more may be required if, for example, a child moves school. Children adopted from care (PLAC) do not require a PEP but it is good practice for parents to be asked whether they would like an EPAC (Education Plan for Adopted Children) to be written and regularly reviewed.

The Children Act (2004) places a duty to safeguard children in care, to promote their educational achievement and to ensure they are able to "achieve to and reach their full potential'. The collective responsibility of Local Authorities and schools to achieve this are set out under six principles;

The role of a Virtual Headteacher for Children in Care is now statutory for every local authority. Virtual Headteachers will scrutinise, challenge and support schools with their teaching and learning for all children in care and assist each other in this task where children cross physical borders to live and attend education provision.

OUR AIM
